

MR. MALEVOLENT

You has-been heroes better stay out of my way or next time you won't be so lucky.

(MR. MALEVOLENT exits.)

KIRBY

(calling after him)

Yeah? You and what army.

MIGHTY GIRL

The army of comatose Power Heroes he's creating.

KIRBY

Oh. That's not good.

MIGHTY GIRL

No, it isn't.

KIRBY

Do you think he'll succeed this time?

MIGHTY GIRL

Look how easily he took control of my body. And my mind is still active.

KIRBY

He caught you off guard, that's all.

MIGHTY GIRL

I hope that's all it was. But... well, maybe you should go stay with your son for a little while.

KIRBY

You want me gone, just like Jack?

MIGHTY GIRL

Not because I don't think you're heroic, you're the bravest man I've ever met. I just don't want to cause you any more pain.

KIRBY

I'd be in more pain spending my last moments on earth without you.

MIGHTY GIRL

Oh, Kirby.

(They kiss as the lights fade.)

SCENE THREE

(Another part of the hallway. MR. MALEVOLENT is storming across the stage. He is quite angry.)
